TRANSPORT POLICY

This policy lays down the clubs approach to travel arrangements for cricket matches. Generally our approach means that parents are responsible for transportation to and from games and practice sessions. By signing their child's membership/registration form parents/carers give permission for children to participate in all competitions and away fixtures/events.

Away Fixtures

1. The mangers/coach of the respective teams will inform parents/carers of the date, arrival time, and venue of the game and finish time.
2. It is the parent or carer's responsibility to make the necessary arrangements for their child to get to the venue for the stated time, either by transporting their own child or making arrangements with other parents.
3. It is the parent or carer's responsibility to make the necessary arrangements for their child to be returned from the venue to home by, transporting their own child or making arrangements with other parents.

4. The respective team manager/coach will undertake to check at the end of a game that all children have been collected. In the event of arrangements breaking down, the team manger will attempt to contact the parent/carer and agree a new arrangement.
5. Should the team manger/coach be unable to make any contact they will take responsibility for ensuring that the child is returned
6. Any transport provided by club officials will be in “exceptional circumstances” and deemed to be “with parental consent” and “without liability”.

Home Fixtures & Practice Sessions
